The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. He or she should contact the local USCIS office to obtain Form I-485, Application for Permanent Residence. A copy of this notice should be submitted with the application.

If the person for whom you are petitioning decides to apply for a visa outside the United States based on this petition, the petitioner should file Form I-924, Application for Action on an Approved Application or Petition, with this office to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa for admission to the United States, or for an extension, change, or adjustment of status.

THIS FORM IS NOT A VISA NOR MAY IT BE USED IN PLACE OF A VISA.

The above petition has been approved. The petition indicates that the person for whom you are petitioning is in the United States and will apply for adjustment of status. He or she should contact the local USCIS office to obtain Form I-485, Application for Permanent Residence. A copy of this notice should be submitted with the application.

If the person for whom you are petitioning decides to apply for a visa outside the United States based on this petition, the petitioner should file Form I-824, Application for Extension of an Approved Application or Petition, with this office to request that we send the petition to the Department of State National Visa Center (NVC).

The NVC processes all approved immigrant visa petitions that require consular action. The NVC also determines which consular post is the appropriate consulate to complete visa processing. It will then forward the approved petition to that consulate.

The approval of this visa petition does not in itself grant any immigration status and does not guarantee that the alien beneficiary will subsequently be found to be eligible for a visa for admission to the United States, or for an extension, change, or adjustment of status.

**Receipt Notice** - This notice confirms that USCIS received your application or petition ("this case") as shown above. If any of the above information is incorrect, please immediately call 800-375-5283 to let us know. This will help avoid future problems.

This notice does not grant any immigration status or benefit. It is not even evidence that this case is still pending. It only shows that the application or petition was filed on the date shown.

**Processing time** - Processing times vary by kind of case. You can check our website at [www.uscis.gov](http://www.uscis.gov) for our current "processing times" for this kind of case at the particular office to which this case is or becomes assigned. On our website's "case status online" page, you can also view status or sign up to receive free e-mail updates as we complete key processing steps on this case. During most of the time this case is pending, however, our systems will show only that the case has been received, and the processing status will not have changed, because we will be working on other cases that were filed earlier than this one. We will notify you by mail, and show in our systems, when we make a decision on this case or if we need something from you. If you do not receive an initial decision or update from us within our current processing time, check our website or call 800-375-5283. Please save this notice, and any other notice we send you about this case, and please make and keep a copy of any papers you send us by any means, along with any proof of delivery to us. Please have all these papers with you if you contact us about this case.

**If this case is an I-130 Petition** - Filing and approval of a Form I-130 Petition for Alien Relative, is only the first step in helping a relative immigrate to the United States. The beneficiaries of a petition must wait until a visa number is available before they can take the next step to apply for an immigrant visa or adjustment of status to lawful permanent residence. To best allocate resources, USCIS may wait to process forms I-130 until closer to the time when a visa number will become available, which may be years after the petition was filed. Nevertheless, USCIS processes forms I-130 in time not to delay relatives ability to take the next step toward permanent residence once a visa number does become available. If, before final action on the petition, you decide to withdraw your petition, your family relationship with the beneficiary ends, or you become a U.S. citizen, call 800-375-5283.

**Applications requiring biometrics** - In some types of cases USCIS requires biometrics. In such cases, USCIS will send you a SEPARATE appointment notice with a specific date, time and place for you to go to a USCIS Application Support Center (ASC) for biometrics processing. You must WAIT for that separate appointment notice and take it (NOT this receipt notice) to your ASC appointment along with your photo identification. Acceptable kinds of photo identification are: a passport or national photo identification issued by your country; a drivers license; a military photo identification; or a state issued photo identification card. If you receive more than one ASC appointment notice, even for different cases, take them both to the first appointment.

**If your address changes** - If your mailing address changes while your case is pending, call 800-375-5283 or use the "Online Change of Address" function on our website. Otherwise, you might not receive notice of our action on this case.

Please see the additional information on the back. You will be notified separately about any other cases you filed.

Asylum Approval

Dear [REDACTED]

This letter refers to your request for asylum in the United States filed on Form I-589.

It has been determined that you are eligible for asylum in the United States. Attached please find a completed Form I-94, Arrival-Departure Record, indicating that you have been granted asylum status in the United States pursuant to § 208(a) of the Immigration and Nationality Act (INA) as of 6/13/06. This grant of asylum includes your dependents listed above who are present in the United States, who were included in your asylum application, and for whom you have established a qualifying relationship by a preponderance of evidence.

You have been granted asylum in the United States for an indefinite period; however, asylum status does not give you the right to remain permanently in the United States. Asylum status may be terminated if you no longer have a well-founded fear of persecution because of a fundamental change in circumstances, you have obtained protection from another country, or you have committed certain crimes or engaged in other activity that makes you ineligible to retain asylum status in the United States. See INA § 208(c)(2).

Now that you are an asylee, you may apply for certain benefits, which are listed below. You are also responsible for complying with certain laws and regulations, if such laws and regulations apply to you. These responsibilities are also explained in this letter. We recommend that you retain the original of this letter as proof of your status and that you submit copies of this letter when applying for any of the benefits or services listed below. You may obtain any of the U.S. Citizenship and Immigration Services (USCIS) forms mentioned in this letter by visiting a local USCIS office or by calling the National Customer Service Center at 1-800-375-5283. You may also download any USCIS form from the Internet on the USCIS website at [www.uscis.gov](http://www.uscis.gov).

**Benefits**

1. Employment Authorization

You are authorized to work in the United States for as long as you remain in asylum status. Your dependents listed above are also authorized to work in the United States, so long as they retain derivative asylum status.
